Ten Years After

Julian writes: A number of people have asked me about the possibility of a journey to Iona

Abbey in 2009. I have therefore contacted the abbey and they may have space for us in July / August next year.

We have an application pack with which to apply for accommodation. I would therefore like to hear from those who want to make the journey in 2009. Ask around and hear the story of those who went last time.
