Bishop Justin And Rock Badgers

The announcement was made on Friday that the next Archbishop of Canterbury will be Rt Revd Justin Welby, currently Bishop of Durham.

There has been lots of interesting information about Bishop Justin in the media in the last few days, but did you hear this one from the Daily Telegraph?

When he was Dean of Liverpool, Bishop Justin had to read from Leviticus Chapter 11 where there's a list of animals who are unclean and shouldn't be eaten. When he got to 'rock badger' he started giggling and couldn't stop, and the congregation started laughing with him. He had a lot of teasing about this, and when he left Liverpool, to become Bishop of Durham the congregation bought him a crozier with a little rock badger carved into the crook.
