Join Timebuilders!**

A great way for people to help others in their community and be rewarded for it – in time. Each hour you spend doing something for someone else in the community earns you a time credit which can be spent on other activities or help. Everyone has something they can do to contribute, no matter how big or small. You can be in credit or debit, but the success of timebuilders is down to all that members do to keep trading.

You could find help around the house, a friend to teach you new skills such as a language, or make a special cake or dish for a family party whilst in return giving your time to help others. You could telephone someone who is housebound, paint a wall, or teach someone how to use the internet.

Everyone's contribution is equally important. One hour = one hour.
