All our food is home made with fresh,
locally sourced ingredients.
That's why people love it.

3 simple tips for a successful event...

1. Let us do the work

These menus are tried and tested favourites, but if they don't quite fit your budget, or if you want something different then please talk to us.

2. Value your delegates

Food is the vital ingredient of any event - it's the thing that people talk about afterwards and is a great opportunity to create goodwill.

3. Think about special diets

Many people require gluten free, dairy free or vegan diets.

Our special diets are widely praised for their variety and flavour. Tell us what is needed and we'll do the rest.

And finally...

Remember that we deliver too!
