A two-day course at Whirlow - Mondays July 24th and 31st.

Focussing on some of the issues which may form part of our experiences in the second half of life. " The second half of life presents us with an opportunity to either become who we really are and flourish, or close ourselves down in the face of the challenges ahead. The course will allow us to look at some of those challenges, such as loss and change, and also help us to live more fully in this most fruitful and potentially creative part of our lives. "

Cost £40 for both days. email teresa.dickens@hotmail.com for details.
