Timebuilders @ St Marys Latest

A 'timebanking' project here at St Marys. Each hour you spend doing something for someone else in the community earns you a time credit which can be spent on other activities or help. Everyone has something they can do to contribute, no matter how big or small. You can be in credit or debit, but the success of timebuilders is down to all that members do to keep trading.

Last week's newsletter had a list of skills required, so here's what you can have in return.

- ◇ Jewellery making
- ◇ Help with budget management

- ◇ We are looking for people interested in photo development and printing. It's free to join, people who can teach earn time-credits for attending.
- ◇ We're scoping out interest for a free acrylic painting class run by a member of C.A.S.T.
- ◇ Lee is putting together an short tour of outdoor climbing boulders in Sheffield. If you're interested, contact us and we'll send everyone a doodle-poll to find the best evening.
