FEEDBACK FROM PCC

The Church Council (PCC) met recently. We began a process which will run over the coming months help us think together as a church about our direction and mission and priorities. Using the image of a garden we are starting with three broad questions -

- What needs tending (to be given time and attention and energy) -
- What needs harvesting and celebrating (the things we do well or are blessed with)
- What needs planting - where is there unploughed/unreached ground ?

There will be opportunities for the Sunday congregation to brainstorm these questions in the coming weeks - please do join in.

TIMEBUILDERS

Take a look at the new Timebuilders website describing the huge range of activities and opportunities at St Marys and around the city.

AFRICAN SONGS NIGHT

We had a great time and taught/learned six new songs which we'll be

introducing to Sunday worship over the next few months.

On the church facebook page there are links to several of the songs on youtube, and a little video showing what we sounded like, thanks to Frederic. We looked great too!
